KNIGHTS OF COLUMBUS FLAG

The Knights of Columbus flag combines in its field, red and white colors from the emblem of the Order, yellow from the papal flag, and white and green from the expeditionary flag of Columbus. A broad band of yellow and a narrow band of red, in parallel, divide the flag diagonally from lower left to upper right corners. The triangular white upper field features the green cross ensign flown by Columbus on his voyages of discovery. On the triangular blue lower fields is the emblem of the Knights of Columbus.

A Knights of Columbus Flag was recently purchased for the Newton Assembly Area.
