ULTRASOUND MACHINE BLESSING @ NEWTON FAMILY LIFE CENTER

**ULTRASOUND MACHINE
NEWTON FAMILY LIFE
CENTER**

Brother Knights from the Newton and Teutopolis Knights of Columbus were on hand for the Blessing of the new Ultrasound Machine at the Newton Family Life Center on Thursday, March 7, 2024.

The Ultrasound Machine was purchased with donations from the Newton (\$8,000) and Teutopolis (\$8,000) Knights of Columbus Councils. The Supreme Council (\$16,000) matched the donations raised by the local Councils.

In addition, the Art Michels Family made a donation that allows the center to provide 3D ultrasound as well as necessary training for the nurses.

Ultrasound technology provides a "window into the womb. Even from the early stages of pregnancy a mother can see her developing child, hear her baby's heartbeat, and recognize the miracle of new life within her." – Past Supreme Knight Carl A. Anderson

Thank you to all the Brother Knights of Newton Council #1704 for making our donation possible.
